

THE UNIVERSITY OF ALABAMA IN HUNTSVILLE
MOTOR VEHICLE AND PARKING REGULATIONS

Number	06.07.08
Division	Finance and Administration – Police Department
Date	October 17, 2017; Reviewed and Revised July 19, 2022
Purpose	The purpose of this policy is to make students, faculty, staff, and visitors aware of the campus motor vehicle and parking regulations. This includes parking fees, permit guidelines, and the citation/appeal process.
Policy	Motor Vehicle and Parking Regulations are established for each academic year and reviewed annually by the UAH Parking Committee. The regulations are available online through Parking Services and through the UAH portal, My.UAH.edu.

AUTHORITY

These regulations are established under the authority vested by The Board of Trustees of the University of Alabama in accordance with state law. By virtue of the powers granted to The Board of Trustees by the State Constitution, The Board of Trustees has the authority to adopt and promulgate reasonable rules and regulations for the management and governance of the institutions. Those powers may be delegated to various University officials for the governance of University affairs; Ref: Alabama-Code §16-47-2, 34 (1975).

GENERAL RULES REGARDING VIOLATIONS

Students, faculty, staff, and visitors operating a motor vehicle or parking on the UAH campus must pay for the privilege and register their vehicle or vehicles with

UAH Parking Services. By doing so, they agree they will observe the state motor vehicle laws and be familiar with the University's parking regulations. Motor vehicle operators who violate these regulations will be subject to a citation and in certain cases their vehicle may be immobilized or towed and impounded at their expense.

These rules and regulations are in effect 24 hours a day, 7 days a week unless otherwise indicated. Furthermore, being unfamiliar with the rules, not being able to find a parking space, or not having time to search for a space are not acceptable excuses for violating a parking regulation. The fact that a citation has not been issued in the past when a vehicle is illegally or improperly parked does not imply that the regulations or laws are not applicable.

DEPARTMENTS AND COLLEGES OF THE UNIVERSITY ARE PROHIBITED FROM USING STATE FUNDS TO PURCHASE PARKING PERMITS.

UNIVERSITY LIABILITY

The University assumes no responsibility for the care or protection of vehicles or their contents while the vehicle is on property owned, leased, or otherwise controlled by the University.

Review

The Vice President for Finance and Administration and Parking Services are responsible for the review of this policy every five years (or whenever circumstances require).
