During the last Graduate Council on 8/18/23, the Graduate School proposed a revision to the part of the policy that states. If the appeal is filed within 30 days of dismissal, the student may be considered to readmission in the semester immediately following dismissal the student may appeal must be submitted at least 14 days protothe following deadlines for readmission of the submitted at least 14 days protothe following deadlines for readmission of the submitted at least 14 days protothe following deadlines for readmission of the submitted at least 14 days protothe following deadlines for readmission of the submitted at least 14 days protothe following deadlines for readmission of the submitted at least 14 days protothe following deadlines for readmission of the submitted at least 14 days protothe following deadlines for readmission of the submitted at least 14 days protothe following deadlines for readmission of the submitted at least 14 days protothe following deadlines for readmission of the submitted at least 14 days protothe following deadlines for readmission of the submitted at least 14 days protothe following deadlines for readmission of the submitted at least 14 days protothe following deadlines for readmission of the submitted at least 14 days protothe following deadlines for readmission of the submitted at least 14 days protothe following deadlines for readmission of the submitted at least 14 days protothe following deadlines for readmission of the submitted at least 14 days protothe following deadlines for readmission of the submitted at least 14 days protothe following deadlines for readmission during the submitted at least 14 days protothe following deadlines for readmission during the submitted at least 14 days protothe following deadlines for readmission during the submitted at least 14 days protothe following deadlines for readmission during the submitted at least 14 days protothe following deadlines for the submitted at least 14 days protothe following during the submitted at least 14 days pr

During the graduate council meeting on 9/15/23, it was proposed to strike the first sentence (underlined in the previous paragraph)e to time limitations between semesters to efficiently conduct the appeal and potential readmission process in time cosubsequent semester. It was also proposed to strike the first part of the second sent (exhause) leunderlined in the previous paragraph) indicating that appeals must be submitted 14 days prior to the stated deadlines for spring, summer, and fall, which caused confusion as to which date was the actual deadline.

Dr. Lisa Vangsness, commented, "I don't know if this is a good enough reason to oppose

is about 3.3, so approximally half of your students could get into JUMPy of u set the limit at 3.3.

11. For the Good of the Order

Dr. Mike Anderson asked about the reason for requiring week notices to the Graduate School for theses and dissertationed enses. Dr. Hakkila responded to the help of our Office of Marketing and Communications, within the next wearhope to establish a public advertising component for interested parties to be able to attend our students' theses and dissertation defenses

- 12. Reminder Next Graduæt Council Meeting Friday/ October 13, 2023
- 13. Adjourn
